

**Johnston Volleyball Club
USAV National Team Tryout Commitment**

We appreciate the opportunity to offer a high-performance program to players who are highly skilled, motivated and may wish to be highly competitive in high school or even college. The base rate for participation is \$875/player. The cost of attending nationals for those teams who qualify is extra.

Club and Player Expectations:

- Player selection is highly competitive and limited.
- Practice sites are in Johnston and will begin in December.
- Team competition runs from January – April (into July if qualify for Nationals).
- Travel and lodging for tournaments are the responsibility of the parent.
- This team will compete in at least one National USAV Junior Olympic Qualifiers as well as other local, state and regional tournaments.
- Playing time is based on skill, team composition and specific situations as well as motivation and commitment.
- JVBC will offer recruiting information, education and provide opportunities through college contacts, etc.
- JVBC will offer volleyball specific agility, jump and strength-training opportunities.
- Special clinics/practices will be offered for individualized instruction in all skills.
- Players will be required to sign a letter of commitment for the JVBC from USAVB.
- Players will be required to play at Regionals.

The high-performance tryout will be held in connection with the JVBC tryouts at the Johnston High School large gym. Please sign the commitment form below to be considered for a National Team position. If you are not selected for a National Team, you will be eligible for a Regional Team without further designation. However, if you decline a National Team position, you will only be offered a Regional Team position after all other players have an opportunity for those Regional Team positions.

This is a COMMITMENT to the National Team program at JVBC. It does not guarantee you a spot on a National Team.

By signing this commitment form, I understand that I am competing for a position on a National level team for Johnston Volleyball Club. This commitment ensures that I will be given priority in selection for the designated team(s) before any consideration is given to a Regional team. If selected, it is my decision to accept or decline the offer and complete the USA commitment form. Failure to accept a National Team offer, will result in my potential for a position on a Regional team to be contingent upon there being a spot available after all other athletes have been given the opportunity for selection at that level. It in no way puts me ahead of anyone trying out for the Regional team.

If I am NOT selected for a position on the National team, I understand that my ratings and evaluations will be immediately passed on to the Regional coaches for consideration equal with those trying out for the Regional team only.
